Principal's Message

Dear Carlock Families,

We have had an exciting month here at Carlock. We hosted two visits from Winchester School District. They brought teams of teachers in to learn about our curriculum and observe Reading and Writing Workshop. The teams were blown away by the teaching and learning taking place at our school. I couldn't be prouder of our students and staff.

As you know, there have been some hiccups with SKYWARD and Standards Based Grading. Carlock Elementary Staff has been asked by our district to pilot a new grading program called Teacherease. The district's goal is to start the pilot as soon as possible. This will require setting up the program for each classroom teacher, training our teachers and communicating information to you on how to access your student's progress. I will communicate this information to you as it becomes available to me.

Thank you so much for your continued partnership.

Maureen Backe

Scholastic Book Fair

Our Scholastic Book Fair will be November 28th—December 2nd. We will have many wonderful books to choose from. Mrs. Backe and staff will be making wish lists for each grade level. The students will also be able to make a wish list! Proceeds from this event will be used to purchase new books for our students in the IMC.

Today a reader tomorrow a leader

As the weather changes we want to remind everyone to make sure your kids are dressed appropriately for outside recess. The students will go out each day as long as the temperature (with wind chill) is 20 degrees or above.
